

STINGRAY

Making people smile, one boat at a time.

ABOUT STINGRAY

Based in Hartsville, South Carolina, Stingray occupies over 225,000 square feet of manufacturing facilities and is situated on 46 acres.

INDEPENDENTLY OWNED Stingray is a privately held, family-owned business, representing one of the longest continual ownerships in the marine industry today! Stingray has been building quality runabouts since 1979 based on some very basic principles: innovation, craftsmanship, and integrity. Because of our "independent" status, Stingray can react to changing market conditions in a much shorter cycle time than the larger corporate entities. This often leads to early recognition of shifts in consumer trends or demographics and thus designing products to meet those needs in a more proactive way.

Z-PLANE HULL

The Stingray Z-plane hull is unparalleled in the industry. Developed on a CAD (Computer Aided Design) system, the hull design is unlike competitors' add-on lifting strakes. Stingray Z-planes act as horizontal planing faces when submerged; when very near the water's surface, the outside edge acts as a spray release, passing through the water with no bubbles or vortices. The smooth flow of water allows the propeller better bite during straight line speed and hard cornering maneuvers. Extending beneath the swim platform, the design allows for quicker planing and three-point contact with the water at faster speeds. This combination results in a quicker hole shot, industry leading top-end, and smooth handling at all speeds.

CE CERTIFICATION

Stingray competes on a global scale and has dealerships located throughout the world from the Middle East throughout Europe, into Asia and Australia. Stingray boats destined for these countries must meet stringent standards prescribed by Consultants Europe (CE) and bear the CE mark.

NMMA / USCG CERTIFICATION

All Stingray boats meet or exceed National Marine Manufacturer Association (NMMA) and US Coast Guard (USCG) certification requirements for safety, such as horsepower, load capacity, steering, fuel systems, compartment ventilation, navigation lighting, and backfire flame control.

TECHNOLOGY DRIVEN

For the past three decades, Stingray has pioneered many of the advances of technology in the boat building industry. Equipment and tools that were not available just a few years ago are now the mainstays that enable Stingray to achieve unparalleled precision and efficiency i.e., computer-aided designs, multi-axis 3-D milling machines, water jet cutting machines, and CNC routers, to mention a few.

FINANCIALLY SOLID

With Dun and Bradstreet's highest credit rating, Stingray is one of the most financially solid manufacturers in the industry. Stingray dealers and customers can depend on a strong partner to provide product innovation and customer support for years to come. We are proud of our debt-free status—a claim that few builders can make!

VALUE AND QUALITY ORIENTED

As one of the founding members of the American Boatbuilders Association (ABAboats.com), Stingray is in excellent company with Chaparral, Cobalt, Correct Craft, Ebbtide, Formula, Godfrey, Grady-White, Monterey, Pursuit, Regal, Rinker, and S2 Yachts. This is another assurance that you are receiving the highest quality materials available at the best possible price. ABA members pool their expertise and resources to purchase only the best products and services available.

ENVIRONMENTALLY RESPONSIBLE

Being a leader in technology is more than just a philosophy—it's a commitment designed to help ensure the preservation of our natural resources for generations to come. At Stingray, fuel efficiency, waste reduction, recycling, and reduced stack emissions are not just buzzwords—they are measured goals of each employee.

WARRANTY

Every Stingray boat is backed by a comprehensive warranty for peace of mind.

FIVE-YEAR LIMITED TRANSFERABLE STRUCTURAL HULL WARRANTY

STINGRAY Boat Co. (hereafter "STINGRAY") warrants the HULL against structural defects in material and workmanship for a period of five (5) years from the date of purchase or six (6) years from the date of manufacture, whichever period elapses first. The warranty provided in this section is to the original retail owner only and applies only if the boat is purchased from an authorized STINGRAY Dealer. During the warranty period described above, STINGRAY will repair (at the factory) or replace, at its option, the fiberglass HULL at the factory if it is determined, in Stingray's discretion, to be structurally defective in material or workmanship. For purposes of this warranty, the HULL is defined as the part of the boat in contact with the water when at rest. The warranty provided in this section is subject to all limitations and conditions contained herein. The remaining term of this HULL Warranty, if any, may be transferred to the second owner if, within 60 days of purchase, the new owner registers the transfer with STINGRAY and pays the established warranty transfer fee. Contact STINGRAY Customer Service at stingrayboats.com/transfer for further details on transferability.

THREE-YEAR LIMITED OSMOTIC HULL BLISTER WARRANTY

STINGRAY warrants against hull blistering caused by osmosis that is discovered and reported to STINGRAY during the first 3 years of ownership (subject to the prorated schedule below). The warranty provided in this section applies to the original retail owner only and is VOID if the original factory gelcoat surface has been altered by excessive sanding, scraping, sandblasting, or accident repair. A marine barrier coating with proper surface preparation is required if the boat is bottom painted or if the boat is left in fresh or salt water for more than 60 days in any 90 day period. In the event of osmotic blistering, STINGRAY will, at its option, repair or cause to be repaired any hull damage and apply a layer of marine barrier coating to the affected surface area(s). Osmotic hull blisters are defined as those blisters, larger than one-eighth inch in diameter and with a depth greater than one-sixteenth inch, which occur on the hull below the waterline. Repairs will be performed (at STINGRAY'S discretion) by the selling dealer, a designated service center, or the STINGRAY factory. The following prorated schedule of parts and labor will be covered by STINGRAY: Blistering discovered and reported to STINGRAY less than one (1) year from date of purchase - 100%; between one (1) and two (2) years from date of purchase - 66%; between two (2) and three (3) years from date of purchase - 33%. All osmotic hull repairs must be pre-approved by STINGRAY prior to any work being performed. Transportation cost is the boat owner's responsibility. Reimbursement shall be limited to one repair, not to exceed eighty US dollars (\$80 USD) per foot of hull length resting below the waterline prior to prorating.

ONE-YEAR LIMITED GENERAL WARRANTY

STINGRAY boats are warranted to the original owner to be free of defects in materials or workmanship for a period of one (1) year from the date of purchase (not to exceed two (2) years from date of manufacture) subject to all limitations and conditions contained herein.

WARRANTY INFORMATION

All Stingray warranties are limited warranties within the meaning of Title 1 of the Federal Trade Commission Improvement Act. A full statement of coverage, terms, and conditions applying to the Stingray warranty has been furnished to all Stingray dealers. In addition, information is supplied with each new boat.

Please read carefully the terms and conditions provided in Stingray's Express Limited Warranty accompanying the sale of your boat. The actual length of warranty coverage for your boat may vary depending on the date of original manufacture and sale date of your boat.

STINGRAY

STINGRAY

180L BOWRIDER

While eighteen feet may be typical of an entry-level boat, our 180L models are not typical. They feature helm seats with fore and aft adjusters, a sporty steering wheel, springline cleats, backlit instruments, an aluminum dash panel with a low-profile dash, indirect LED cockpit lighting, and a standard bimini top. If you compare before you buy, we think you will be pleased.

STURBY

195RX BOWRIDER

The entry-level 195RX is priced to sell. It is for those who want the highest quality, most fuel efficient, and best performing boat in its class...at the best price. Even though this boat is priced to get you out on the water, it still has more amenities than the competitors' similar entry-level models. It also is economical, clean and fuel efficient, and comes standard with a MerCruiser 4-cylinder engine with power steering. Compare before you buy, and you will be happy that you did!

LENGTH	19 ft, 6 in 5.9 m

STINGRAY

195L BOWRIDER

Looking to move up to a 19' bowrider? If so, take a look at our 195LS and 195LX models, which include lots of amenities as standard features. They are fast, too! The 195L reaches 60 mph with only a V-6 for power. That means both speed and fuel economy in the same boat! For extra versatility, add the optional fish and ski package on the 195LX. It includes a trolling motor mount, bow casting platform, wired trolling motor panel, aerated livewell, tackle box, extended platform with pedestal mount, and two fishing seats.

LENGTH	19 ft, 6 in 5.9 m	MAX CAPACITY	8 ppl, 1470 lbs 666 kg

STINGRAY

208LR SPORT DECK

Our entry-level sport deck bowrider offers eight inches of extra cockpit width over the standard-width model it replaced; this translates to extra room inside for your passengers, without adding extra length to trailer. It also allows for a convenient side-entry walkway, without giving up a lot of sundeck and bench seating space. An optional filler cushion is available to create an extra large sundeck. The 208LR is a perfectly sized bowrider for a weekend on the water with family and friends!

LENGTH	20 ft, 8 in 6.3 m
BEAM	99 in 250 cm
BRIDGE CLEARANCE	49 in 124 cm

215LR SPORT DECK

Like our other sport deck models, the 215LR's wide body offers an easy-entry starboard walkway, plus more cockpit space than traditional boats of the same length. Under the bow entryway is a slide-out ladder, an anchor locker and fender storage area, and a large cooler with overboard drain. With a truly functional head, it's convenient to spend the day, or night, out on the water. The features on this boat are abundant. Stop by a local dealership and have a look for yourself!

LENGTH	21 ft, 11 in 6.7 m
BEAM	101 in 257 cm
BRIDGE CLEARANCE	58 in 147 cm
AVG DRY WEIGHT (w/ 5.0L)	3705 lbs

STINGRAY

225LR BOWRIDER

The 225LR offers sportboat performance and styling with the roominess of a deck boat. A large, integrated swim platform and removable cushions lend way to a step-thru entryway that makes this boat perfect for your favorite watersports activities. U-shaped cockpit seating and curved bow seating both prove useful when it's time for setting up the table (stowed under the sundeck) for dining or snacks. The 225LR is packed with amenities, seats up to 10 people, and features a full fiberglass liner for easy cleanup.

LENGTH	22 ft, 11 in 7.0 m
BEAM	100 in 254 cm
BRIDGE CLEARANCE	52 in 132 cm
AVG DRY WEIGHT (w/ 5.0L)	3364 lbs

235LR SPORT DECK

The wide, sport deck design creates a roomy interior, lending way to a convenient side-entry walkway and a head compartment large enough to double as a changing room. For watersports enthusiasts, a large swim platform features built-in drink holders, a fiberglass storage compartment, transom mount trim and tilt, and an optional transom stereo remote. Transom and bow showers are convenient and help maintain clean interior. A standard full fiberglass liner with overboard drains makes for easy cleanup at the end of the day.

LENGTH	23 ft, 11 in 7.3 m
BEAM	101 in 257 cm
BRIDGE CLEARANCE	58 in 147 cm
AVG DRY WEIGHT (w/ 5.0L)	4105 lbs

BERINGRAY

195c CUDDY CABIN

Looking for an entry-level cuddy? The 195C is perfect for the young family that is just getting started in boating. The CX model features a large sunpad and a bench seat with storage underneath. For extra interior room, opt for the CS model, which features a motorbox with built-in cupholders and two individual seats. An oversized entryway makes cabin access easy, and the cabin includes a molded fiberglass liner, porta potti, V-berth with lots of storage, and a screened aluminum deck hatch. It's great for overnighting!

208CR SPORT DECK

This may be our entry-level sport deck cuddy, but there is nothing small about this boat. Its extra wide stance makes room for a 15" side entryway to provide quick and easy boarding, while giving up little sundeck area. The wide body design continues in the cabin, where two adults can easily stretch out for a nap. This boat is also a performer! Built on our Z-plane hull, it is both fast and efficient. You will find it a challenge to find another boat in its size range to compete with it.

LENGTH	20 ft, 8 in 6.3 m
BEAM	99 in 250 cm

215CR SPORT DECK

Want all of the features of a bigger boat without actually having a bigger boat? Look no further. The 215CR packs in ALL of the same features of our 235CR, with the same beam and two feet less to trailer. Before you ask what happened to the other two feet, let us assure you that our designers did an impressive job of conserving space in just the right non-essential areas to bring you this right-sized cuddy. Like all of our sport deck models, the 215CR features a side-entry walkway for easy entry and exit.

STINGRAY

225CR CUDDY CABIN

A deep boat with ample freeboard for "big" water, the 225CR offers both safety and performance. Stingray's Z-plane hull allows it to get out of the water and on plane quicker for faster speeds and a freer riding hull. At just under 23 feet and with a beam of 100 inches, the spacious cockpit and cabin of the 225CR make it a great boat for comfortable overnighting. A recessed cabin step leads to the spacious V-berth and amenities, and the bi-fold doors with smoke inserts and keyed entry lock provide privacy.

LENGTH	22 ft, 11 in 7.0 m
BEAM	100 in 254 cm
BRIDGE CLEARANCE	55 in 140 cm

STINGRAY

STINGRAY

250cs CABIN CRUISER

This dual-cabin cruiser features sleeping accommodations for four with two berths—one in the forward bow and another midships—making it ideal for overnight excursions. Just below deck is a fully equipped galley, and the forward berth converts to a dining area. A fully enclosed standup head includes mirror, overhead lighting, generous storage, sink, manual-flush toilet, and shower. Lots of space, numerous standard features, many options to choose from, and the 250CS is still easily trailerable to endless destinations.

LENGTH	25 ft 7.6 m
BEAM	102 in 259 cm

225sx SPORTBOAT

This boat screams speed, even while sitting quietly at the dock. And it rides on Stingray's Z-plane hull, which means its performance is hard to beat in its size class. When you put the throttle down, the 225SX pops on plane in seconds. Trimmed out at full throttle, only the last few feet of hull make contact with the water as it releases to reach max speed. The hull design ensures that it handles turns with agility. Simply put, this baby corners like it's on rails!

LENGTH	22 ft, 11 in 7.0 m
BEAM	100 in 254 cm
BRIDGE CLEARANCE	45 in 114 cm
AVG DRY WEIGHT (w/ 5.0L)	3225 lbs

STINGRAY

MERCURY

191RX OUTBOARD

The 191RX is the brother to our 195RX entry-level bowrider. Both are priced to sell at the same price. The difference—the 191RX is an outboard model. Like its brother, it has more amenities than the competitions' models of similar size and offers quality, fuel efficiency, and excellent performance. As an outboard model, it features easy maintenance and an abundance of storage underneath the sundeck area. This model makes boating both easy and affordable, leaving your time and money to spend on the fun!

LENGTH	19 ft, 3 in 5.9 m
BEAM	91 in 231 cm
BRIDGE CLEARANCE	47 in 119 cm
AVG DRY WEIGHT (90 hp)	2100 lbs
FUEL CAPACITY	34 gal 129 L
ICE CAPACITY	14 qt 13 L

MAX CAPACITY	8 ppl, 1890 lbs 857 kg
COCKPIT DEPTH (at helm)	29 in 74 cm
MAX DRAFT (drive down)	31 in 79 cm
DEADRISE ANGLE	19 degrees
MAX HORSEPOWER	90

KEY FEATURES

- bow storage
- stainless steel cleats
- floor storage with oversize door
- indirect LED interior lighting
- all weather marine carpet
- premium 36 oz. stain resistant vinyl
- cooler / storage box with drain
- three-way adjustable helm seats
- backlit instruments with circuit breakers
- stainless steel multi-step transom ladder
- power trim and tilt with indicator
- transom mounted trim and tilt switch
- auto / manual 1100 gph bilge pump ❖❖
- marine audio system with MP3 port ❖❖
- stand-up bimini top with boot ❖❖
- zero torque steering ❖❖
- cockpit and bow cover ❖
- ss sport trim tabs ❖

❖ optional feature ❖ included in Preferred Equipment Group

STINGRAY

34 X 10 FT

191LX OUTBOARD

The outboard version of the 19' bowrider gives you extra room in the cockpit, abundant storage under the sundeck, and the ease of maintenance of outboard power. Bow storage, floor storage, and storage under the bench seat provide lots of room for storing your gear. Like fishing and water sports? Add the optional fish and ski package (shown in main photo). It includes a trolling motor mount, bow casting platform, wired trolling motor panel, aerated livewell, tackle box, stainless steel ski tow, and two fishing seats.

LENGTH	19 ft, 3 in 5.9 m
BEAM	91 in 231 cm
BRIDGE CLEARANCE	47 in 119 cm
AVG DRY WEIGHT (90 hp)	2100 lbs
FUEL CAPACITY	34 gal 129 L
ICE CAPACITY	14 qt 13 L

MAX CAPACITY	8 ppl, 1890 lbs 857 kg
COCKPIT DEPTH (at helm)	29 in 74 cm
MAX DRAFT (drive down)	31 in 79 cm
DEADRISE ANGLE	19 degrees

MERCURY

204LR OUTBOARD

The 204LR is an outboard version of the 208LR entry level sport deck bowrider. It retains the same 15" side entryway for quick and easy boarding. Underneath the sundeck is a large storage area for water toys and gear. Aft of the sundeck are two double-tiered swim perches for hanging out on the transom. Multi-step boarding ladders fore and aft provide convenient re-entry from the water and beach. A fiberglass cockpit floor liner offers comfortable traction and makes cleanup easy at the end of a fun day on the water.

LENGTH	20 ft, 5 in 6.2 m
BEAM	99 in 250 cm

234LR OUTBOARD

The 234LR offers the versatility and ease of maintenance of outboard propulsion with the same roomy design as its sterndrive brother, the 235LR. The wide, sport deck design creates plenty of interior space, a convenient side-entry walkway, a large sundeck, and a head compartment large enough to double as a changing room. Under the sundeck is lots of storage for your gear. A standard, self-bailing, full fiberglass liner with overboard drains makes for easy cleanup at the end of the day. We will see you on the water!

LENGTH	23 ft, 8 in 7.2 m
BEAM	101 in 257 cm
BRIDGE CLEARANCE	58 in 147 cm

Only EPA approved engines are available in the USA. Volvo engines are available on non-USA boats only. See your dealer for details.

Specifications are subject to change at any time without notice or obligation. To avoid disappointment, check with your Stingray Dealer for current information and specifications.

Performance data comes from factory testing, independent engine manufacturer testing, or independent magazine testing. All boat speeds and propellers shown are to be used as guidelines only for general applications as boats and operating conditions will vary. The best propeller for specific boating needs can be determined only by performance testing by your dealer. Results on individual boats may vary depending on many factors, including driver, weather, altitude, load, condition or propeller, lower unit, and boat bottom. Matching of your boat and use conditions to the proper propeller by your dealer will make your boating experience more enjoyable and keep your engine running longer and stronger. Propellers used during testing are shown to be used as a guideline only and are not intended to be an absolute recommendation.

CAUTION: Engine should be propped based on load to run at the upper end of the recommended RPM range at WOT to avoid damage caused by lugging. Throttle position must be reduced to avoid excessive RPM when using a lower pitch prop to improve low-end performance for water sports.

Speeds shown are the maximum expected with light load and the best performing SS propeller at sea level with a 70° F air temperature.

USING THE IBOATINFO.COM PERFORMANCE CALCULATOR, YOU CAN:

Get detailed comparisons on up to five different models from thousands of independent tests
Compare speed and fuel economy by make, model, length, hp, displacement, and drive type

Use the category search query to easily change the output results
Compare any one model to all other boat tests in the database

* Operating costs for each boat as tested; based on 100 hours or 3000 miles at 30 mph, with a fuel cost of \$3.50 per gallon.

Your Stingray Dealer

STINGRAY BOATS
 625 Railroad Avenue, Hartsville SC 29550
 Phone: 843-383-4507

Visit StingrayBoats.com for additional and up-to-date information.

WARRANTY INFORMATION

All Stingray warranties are limited warranties within the meaning of Title 1 of the Federal Trade Commission Improvement Act. A full statement of coverage, terms, and conditions applying to the Stingray warranty has been furnished to all Stingray dealers. In addition, information is supplied with each new boat. Please read carefully the terms and conditions provided in Stingray's Express Limited Warranty accompanying the sale of your boat. The actual length of warranty coverage for your boat may vary depending on the date of original manufacture and sale date of your boat.

ABOUT THIS BROCHURE

Only a partial list of standard equipment is shown; some boats are shown with optional accessories. Styling, design, equipment, prices, colors, and construction are subject to change without notice or obligation. To avoid disappointment, please check with your Stingray dealer or visit StingrayBoats.com for current information at the time of purchase.
